2025-26 AGGREGATE VERIFICATION WORKSHEET GROUP - NOTARY (V5)
DEPENDENT

Your Free Application for Federal Student Aid (FAFSA) was selected by the federal Department of Education for review in a process called "Verification". In this process, the Office of Student Financial Services will compare information from your FAFSA with this worksheet and with any other required documents. The Verification must be finalized prior to the distribution of federal aid. If inconsistencies are found between your FAFSA, verification worksheet, and other documentation, the Office of Student Financial Services may electronically amend the necessary changes.

INSTRUCTIONS:

- Complete this section if you and/or your parent filed or will file a 2023 Federal Income Tax Return(s). As part of the federal student aid eligibility, you and your parent will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if your parents filed separate 2023 Federal Income Tax Returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2023 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.
- If 2023 Federal Income Tax Return information for you and your parents was not available or could not be used, you and your parents must provide the institution with a **2023 IRS Tax Return Transcript (s) or a signed copy of the 2023 Federal Income Tax Return and applicable schedules.**

A 2023 IRS Tax Return Transcript may be obtained through:

- Get Transcript by Mail or Online**—Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript by Mail or Online." Make sure to request the "Return Transcript" and **NOT** the "Account Transcript."
- Automated Telephone Request**—1-800-908-9946. Transcript is generally received within 10 business days from the IRS's receipt of the telephone request.
- Paper Request Form**—IRS Form 4506T-EZ or IRS Form 4506-T. The transcript is generally received within 10 business days.

- You and a least one parent must sign this worksheet.
- Submit the completed and signed Verification Worksheet with the required documentation to the Office of Student Financial Services.

B. FAMILY INFORMATION (if more space is required, attach a separate page with your name and ID number on top.)

FAMILY SIZE DEFINITION

Complete the chart below with whom the parent could claim as a dependent on U.S. tax return. Use the information below to determine who should be included in the family size. Family Size includes the following:

- The student
- The student's parents, even if the student is not living with them. Exclude a parent who has died or is not living in the household because of separation or divorce. Include a parent who is on active duty in the U.S. Armed Forces apart from the family.
- The student's siblings if the following are true:
They live with the student's parent (or live apart because of college enrollment); they receive more than half of their support from the student's parents, and they will continue to receive more than half their support from the student's parents during the award year.
- Other persons if the following are true: They live with the student's parents; they received more than half of their support from the student's parents, and they will continue to receive more than half their support from the student's parents during the award year.

The provided criteria for "dependent children" or "other persons" align with the requirement that family size align with whom the parent could claim as a dependent on a U.S. tax return if your parent were to file a U.S. tax return at the time of completing the 2025-2026 FAFSA. As a result, the parent should not include any unborn children in the family size.
